Sub: Maintenance of Wi-Fi facility at 4791 station by M/s. Tata Trust.
Ref : This office letter no 2018/Tele/6(4)/3 Pt dtd 20.05.19

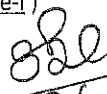

1. An MoU was signed between Indian Railways, Tata Trust, Vijayavahini Charitable foundation and RailTel Corporation of India for the provision of Wi-Fi facility at 4791 stations across Indian Railways, and the same was circulated vide reference above.
2. At SL No- III (1) of Annex-4 of Role and responsibility matrix in the said MoU, Operation & Maintenance of the entire active and passive Network infrastructure for Wi-Fi facility at 4791 stations provided by Tata Trust, lies with Indian Railways & RailTel.

There is a need to distinguish the responsibilities of each stakeholder in light of the spirit of MoU. Accordingly, Board (MST) have approved the following:

- 2.1 Respective Railway shall maintain earthing, power supply & railway maintained fibre.
- 2.2 RailTel shall operate & maintain the other active and passive Network Infrastructure (including OLT, ONT, Splitter, AP, EMS/NMS etc.) and the associated accessories at each station or at NOC.
These equipments have annual maintenance service support for two years after one year warranty period. The relevant document provided by Tata Trust is enclosed.
- 2.3 RailTel shall also maintain backend fibre (maintained by RailTel) and bandwidth.

Kindly acknowledge the receipt and ensure compliance.

DA: As above (uploaded along with the letter in important letters/Telecom Dte.
