TELECOM CIRCULAR NO. 13/2013

The General Manager,
All Indian Railways.

Sub: Eliminating Elephant Mortalities due to train hits-VHF communication between station master and forest officials.
Ref: Telecom Circular No. 12/2013 issued vide Board's letter no. 2004/Tele/WL/2/Misc. dated 16.04.2013.

In continuation to the Telecom Circular No. 12/2013, it is clarified that forest officials, at many places, are already using Walkie-talkie sets for their own communication. The subject Telecom Circular does not cover this aspect.

Zonal Railways are therefore advised that in such a scenario, additional 25W VHF set tuned to the frequency being used by forest officials may be provided with the Station Master so that forest officials can communicate with the Station Master.
