**Sub: Regarding Communication between Drivers & Guards in Rajdhani/
Shatabdi type trains.**

Rajdhani/Shatabdi type trains are provided with magneto phone communication between drivers and guards. It has been brought to the notice of Board that the magneto phone is at time a cause of disturbance to the loco pilot. The requirement of magneto phone communication between drivers and guard on Rajdhani/Shatabdi type trains has been reexamined in Board's office. Drivers & Guards now have a better and efficient means of communication in the form of VHF Walkie-talkie sets. Therefore, it has been decided that the magneto phone between drivers and guards may be dispensed with.
