**Sub: Indian Railway Telecom Manual.**

\*\*\*

In the recent past, a number of new Telecom gadgets have been introduced on Indian Railways like, VSAT, Satellite phones, PIS, MPLS, NGN etc. that are not covered in Telecom manual. It is therefore necessary to have a relook of the Telecom manual and revise it comprehensively to cover all new telecom equipments as well as to delete the obsolete item.

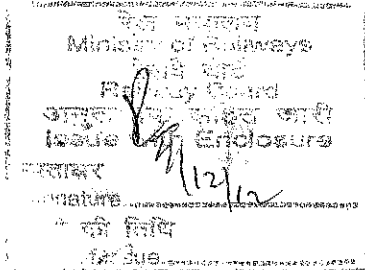

It is therefore proposed to constitute a committee with the following officers to relook into the telecom manual.

- (a) Shri S.K. Vyas, ED/Tele/RDSO as convenor.
- (b) Shri M. Alam, SAG/SER
- (c) Shri S.K. Das, CCE/ER

The committee shall have the following terms of reference:

- (i) Include new chapters in the manual about the use of latest telecom equipments on Indian Railways.
- (ii) Delete redundant chapters/paras on old technology that are no longer relevant/vogue on Indian Railways.
- (iii) Revise/update chapters of the Telecom Manual-2006 with particular input to maintenance schedule of Telecom equipment.

The committee is given a time period of six months to complete the review.

(Rakesh Ranjan)  
Director/Tele.
